

Red Blotch Virus Alert Meeting

Do you have plants that look like this? It may be a virus symptom.

Emergency Alert Meeting

Auburn Road Winery

Monday September 29, 2014 - 4:30 P.M.

117 Sharptown-Pilesgrove Rd., NJ 08098

(Just outside of Woodstown)

856-769-9463

Vineyard Tour, Identification of disease symptoms.

Rutgers speakers will cover subjects on plant pathology and winter injury, entomology and IPM; and what can we do about this new virus disease?

We will also talk about surveying for disease symptoms and how you can participate.
