

You're invited to taste the latest
Rutgers NJAES Strawberries!
Strawberry Twilight Meeting

Food, information, tour and discussion of new strawberry cultivars, with production and marketing tips.

Wednesday

May 28, 2014

Time: 6 pm

Location: Specca Farms

Address:

870 Jacksonville-Mt. Holly Rd.
Burlington County Route 628
Springfield Township, NJ 08505

Dr. Gokjo Jelenkovic and County Agent Bill Hlubik, RCE and NJAES, Rutgers University discuss new NJAES strawberry cultivars with farmers Jim Giamarese and John Hauser. Local farmers played a critical role in the development of these new NJAES cultivars.

Sponsored by Rutgers Cooperative Extension and the
New Jersey Agricultural Experiment Station Rutgers, The State University.

For more information call 732-398-5262 or
Contact Bill Hlubik – Hlubik@aesop.rutgers.edu
or Peter Nitzsche Nitzsche@aesop.rutgers.edu

Special thanks to the Walmart Foundation and the University of Arkansas
as well as the NJ Small Fruits Council, NJAES and Cooperating farmers for
their support of the NJAES strawberry research project.
