**Password: fallfruit**

NJDEP PESTICIDE RECERTIFICATION CREDITS ARE ANTICIPATED

**If you wish to receive pesticide credits for this meeting,** DEP regulations require you to upload a copy of a government issued photo ID and a copy of your pesticide applicator license **prior to the meeting.**

[Click here to upload a government issued photo ID and pesticide license](#)

**Upload directions:** If you click on the photo ID upload link using a smart phone/tablet you will have the option of simply taking a photo of your ID and uploading it directly into the system. If you are using a computer you will need to scan or take a photo of your photo ID and upload the file using the directions at the upload link. If you need assistance uploading your documentation contact; Kimberley Crommelin [kfrey@co.hunterdon.nj](mailto:kfrey@co.hunterdon.nj) or Megan Muehlbauer [muehlbauer@njaes.rutgers.edu](mailto:muehlbauer@njaes.rutgers.edu) to assist you in verifying your identity for NJDEP recertification credit purposes.

**Please note:** The files are uploaded into a secure Rutgers University digital folder that no one other than the session hosts (Megan Muehlbauer and Kimberley Crommelin) can view or access.

**To Enter the Meeting:** Click the link in the registration confirmation E-mail and select "join by browser-New" BE SURE TO KEEP VIDEO ON IF YOU WISH TO OBTAIN PESTICIDE CREDITS.

If you do not wish to receive pesticide credits, and would like to call into the meeting, dial USA Toll: +1-650-429-3300 Access code: 120 185 4274

**PLEASE BE IN THE MEETING BY 6 PM AS IT WILL BEGIN PROMPTLY AT 6 PM!**

Thank you very much for your willingness to cooperate!
