

***Join the Sustainable SWD Management Team
December 8 at 12pm EST
for a one hour webinar:
“A decade of SWD: Lessons for management”***

Register in advance for this webinar:

https://ncsu.zoom.us/webinar/register/WN_r_Q2ICTS2Wkf8UZmq4KIA

We will highlight what we've learned about spotted-wing drosophila populations, crop risk, pesticide efficacy, biological control, cultural & behavioral controls, and how to use this information to improve management.
